

## Central Florida Dreamplex- Sport Clinic & Event Volunteer Training Form

Volunteers play a major role at the Dreamplex. Volunteers' presence and energy can make all the difference in whether a child participates and has fun.

1. Volunteers will treat all employees, volunteers, participants, and parents with respect, courtesy, and dignity.
2. Be a good role model with behavior and an attitude that are in line with our values and ethos. Please avoid insensitive or offensive language.
3. Follow the instructions of the event staff. Staff will give you instructions and additional information prior to the event as well as day of event.
4. Being on time, having fun, ensuring safety, and encouraging the participants are your primary responsibilities.
5. If you are volunteering at a sport clinic, you will most likely be paired with a buddy. Please stay with your buddy during the clinic.
6. Do NOT take the child to the restroom or take a child away from the class/event space. Please find their parent/guardian and have them take the child if they need to use the restroom.
7. Try to provide the proper level of challenge for everyone. Once they have something down, try to make it a little harder. Don't let them become bored or disinterested.
8. Give lots of encouragement, praise, and high-fives!
9. Some participants will be non-verbal. Just because they don't speak doesn't mean they don't understand what you say to them.

By signing below, you understand and agree for your information to be used to run a background check prior to volunteering. I agree that I have reviewed, understand, and agree to follow the volunteer training.
