OPPORTUNITIES**

In the heart of Clermont, a glow emerges on a bright November afternoon, illuminating the **path to unity and inclusion**. Central Florida Dreamplex invites you to join us at the Clermont Arts and Recreation Center on Sunday, November 17th, from 3:00 PM to 6:00 PM, for an extraordinary event that will light up the day and **brighten the future of our community**.

At the center of our event is the **80-piece Florida Symphony Youth Orchestra**, whose harmonious melodies symbolize the unity we strive for. Their music, played with passion and skill, will fill the air and inspire us all to join together in celebration.

Florida Symphony Youth Orchestras is an invitation-only, non-profit organization that has served Central Florida for over 65 years. FSYO provides students with the opportunity to collaborate with seasoned music professionals on local, national, and international levels. FSYO's Touring Orchestra participates in international and national tours, including a 2018 performance at Carnegie Hall and a 2019 tour in China.

As the music fills the air, children will be delighted with laughter and joy as they **dance and play** in the vibrant hub of the gymnasium. Our Dreamplex volunteers will be on hand to watch over them, ensuring a safe and fun experience. Meanwhile, parents can unwind and treat themselves to delicious fare from our array of food trucks, along with **cocktails and delightful snacks**.

Glow sticks and necklaces will adorn our guests, creating a **radiant sea of light** that embodies the spirit of inclusivity. Engage with illuminated characters, participate in exciting activities, and immerse yourself in the delightful luminosity that surrounds us all.

Illuminate for Inclusion helps us shine a light on the incredible work Central Florida Dreamplex does every day. Together, let's illuminate the night and pave the way for a future where **everyone is included, valued, and celebrated**.

**Join us on this luminous journey.
Together, we can light up the world.**

OUR MISSION

Our faith-based mission drives us to include all individuals, regardless of ability, in sports, recreation, therapy, education, and employment, fostering a community of acceptance and support.

OUR STORY

In 2009, pediatric therapists serving Central Florida recognized children and adults with disabilities were being left on the sidelines. Motivated by their faith, they dedicated their lives to creating a more inclusive community.

In 2015, The Central Florida Dreamplex opened its doors, turning dreams into reality for extraordinary people with disabilities and their families.
