ABOUT US

DREAMPLEX STARS CHEERLEADING SQUAD

Together, we can empower our cheerleaders to shine as ambassadors of inclusion and inspire our community to embrace diversity.

MISSION STATEMENT

Our faith-based mission drives us to include all individuals, regardless of ability, in sports, recreation, therapy, education, and employment, fostering a community of acceptance and support.

The Dreamplex Stars Cheerleading squad provides a positive learning environment where friendships can be developed and nurtured. We build skills together and then perform as a group to promote connections and inclusion in our community.

HISTORY

The Dreamplex cheer program started in 2015 as a class with less than 5 students. By the end of 2015, it had grown into a squad of more than 15 cheerleaders and held their first performance at that year's Dreamplex Gala. Over the years they have performed at local community events, high school, collegiate, and NBA basketball games, and various competitive tournaments.

OUR IMPACT

Cheerleaders *19 individuals, ages 8-37, with varying exceptionalities, including Down syndrome, Cerebral Palsy, Autism, and other exceptionalities.*

Peer Buddies *2 school-aged sisters who joined to foster friendships with peers with exceptionalities.*

Volunteers *14 dedicated individuals who support practices and events.*

Despite our limited space, which accommodates only 19 cheerleaders, our squad thrives as a supportive, inclusive family where lasting relationships are formed.

OUR STORY

In 2009, pediatric therapists serving Central Florida recognized children and adults with disabilities were being left on the sidelines. Motivated by their faith, they dedicated their lives to creating a more inclusive community. In 2015, The Central Florida Dreamplex opened its doors, turning dreams into reality for extraordinary people with disabilities and their families.
