ABOUT US

THE FRIENDSHIP PLACE CAFE

MISSION STATEMENT

Our faith-based mission drives us to include all individuals, regardless of ability, in sports, recreation, therapy, education, and employment, fostering a community of acceptance and support.

HISTORY

God's idea from the very beginning...

The Friendship Place was created at the Central Florida Dreamplex to share the love of God with every person we meet. To provide a place where each person is loved, not for what they can do, what they have, or what they can give, but for who they are... a child of God.

The Friendship Place has become a beacon of hope and support for individuals with disabilities and their families for adults 22 and older. Since opening in July 2023, The Friendship Place has provided a welcoming environment for 35-40 individuals each week, offering a range of activities and programs to enhance physical and mental well-being.

PROGRAM OVERVIEW

The Friendship Place provides adults with developmental disabilities a safe and engaging day-time program to keep them active mentally and socially in a positive environment while providing respite to caregivers. To everyone who visits this place, may you experience love and acceptance beyond measure.

The Friendship Place attendees have direct and immediate access to physical, speech, and occupational therapy services as well as recreation and fitness programs to ensure healthy minds, bodies, and souls. Nowhere else in Florida offers the variety of programs and services at a single location.

OUR STORY

In 2009, pediatric therapists serving Central Florida recognized children and adults with disabilities were being left on the sidelines. Motivated by their faith, they dedicated their lives to creating a more inclusive community.

In 2015, The Central Florida Dreamplex opened its doors, turning dreams into reality for extraordinary people with disabilities and their families.

The mission of Friendship Place is to share the love of God with every person we meet. To provide a place where each person is loved not for what they can do, or what they have and what they can give, but where they are loved just because of who they are... a child of God.

DREAMPLEX VISION

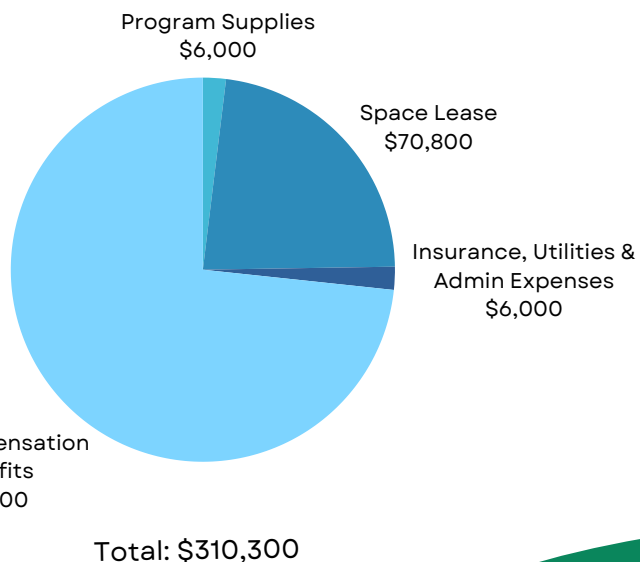

THE FRIENDSHIP PLACE

ANNUAL COST BREAKDOWN

By sponsoring The Friendship Place, you're not just supporting a program; you're investing in the future of individuals with disabilities. Your sponsorship will help us cover monthly expenses, expand our programs, and move closer to our goal of constructing a new, larger facility.

The chart below visually represents the annual budget of The Friendship Place. Monthly expenses typically range between \$23,500 and \$25,000, with a noticeable increase to about \$30,000 during months with a third payroll cycle. This variation necessitates careful budgeting and financial planning to ensure stability and sustainability.

With an annual budget of approximately \$300,000, it's crucial to prioritize spending effectively, allocate resources strategically, and explore avenues for financial growth and resilience. This chart aims to provide clarity on Friendship Place's expenditure patterns, budget allocation strategies, and efforts towards financial sustainability.

EXPANSION PLAN

Despite our current success, we have outgrown our space. We aspire to expand our offerings by opening a coffee shop/café run by attendees, providing them with valuable life skills and a sense of ownership. Additionally, we plan to host private events on weekends, serving as a venue and caterer.

DREAMPLEX VISION

The Dreamplex and Friendship Place operate within leased space, limiting our capacity to serve more individuals. However, thanks to a generous donation of five acres of property, we have the opportunity to construct a new building that better suits our needs. This new facility would allow us to serve more individuals, offer additional training programs, and provide access to various therapies and services.
